

Ealing Mencap has a passion. A passion for changing lives.

We see the potential in everyone.

We know everyone is special and unique with their own talents, skills and gifts. Everyone has ambitions and dreams and needs a helping hand to achieve them.

People with a learning disability are no different.
But all too often they struggle to reach their full potential.

We believe that every person with a learning disability should have opportunities and support to grow and develop so that they can achieve their personal goals.

We want Ealing to be a great place for people with learning disabilities to live. A place that welcomes encourages and supports people to achieve their potential.

But we can't do this on our own.

***Every day is a challenge when you have a learning disability.
But you might not see it.***

We need a helping hand from everyone in the community to make it happen and to share our passion for changing lives.

With your support **Ealing Mencap** can create more opportunities for people with learning disabilities to reach their potential.

If you share our passion and want to help make a difference to the lives of people with learning disabilities we would love to hear from you.

There are many ways that you could get involved and we welcome your own ideas too!

Fundraising –

As a charity we raise all of our own funds and charitable donations help us make a bigger difference to more people.

The options are endless but you could set a personal or group challenge and ask people you know for sponsorship, hold an event, a competition, or a sale. Great for schools, social clubs, family groups and friends to have fun while raising money!

Corporate Partnerships –

Promoting our aims and fundraising on our behalf is a great way to engage your staff team and customers/suppliers as well as brilliant PR in your local community. People love knowing that they are making a difference and can be confident they will be when they support **Ealing Mencap**.

You could nominate and choose **Ealing Mencap** as your Charity of the Year.

Hosting a gala, auction, quiz night or other event brings people together for a good time while raising funds to make a difference.

If you work in the food, drink or entertainment industry you could offer special events and promotions with a proportion of the price donated to Ealing Mencap.

Alternatively you could offer special events and experiences to people with learning disabilities or a high value prize for auction. Working together we can make more of difference and change lives in Ealing.

Pro-Bono Expertise –

The small but excellent staff team working at Ealing Mencap are experts in working with people with learning disabilities. The majority of the money we raise is used to directly help people with learning disabilities leaving little for marketing, IT support or capital resources.

If you have expertise in any of these areas and are willing to give some of your time you could make a huge difference to our work.

We know that everyone has their own talents, skills and gifts. Sharing them with people with learning disabilities and our staff team helps create opportunities for growth and development and you will enjoy the experience too.

Please help us to make Ealing a great place for people with learning disabilities to live and achieve their potential. Your support will make a difference.

Ealing Mencap is an independent charity (No. 1054061) and company limited by guarantee (No. 3039319). We have been operating in Ealing for over 50 years.

In 2016/17 we worked with over 2000 children and adults with learning disabilities but with your support we can help more people in more ways.
